General information

After the webinar, if the proposal is considered within the TC 473 scope, the ballot for the NWIP can be launched within 2 weeks.

The purpose is to inform widely about new activities in CEN/TC 473 Circular economy in line with our scope to propose standards that are not overlapping or conflicting with other standardization activities.

The webinars are open to anyone interested. Feel free to share this invitation.

Yours sincerely,

Laura Linnala
Secretary of CEN/TC 473 Circular economy
